RYA Day Skipper Theory April 2018

sailing
adventures
for family, friends & business

*Learning new skills (or re-learning those you've forgotten!)
increases confidence and expands sailing horizons.*

The RYA Day Skipper Theory course covers:

The 'dark arts' of navigation & pilotage
Tidal heights and streams
Chartwork
Use of electronics
Passage planning
Weather and the 'Rules of the Road'
And more.....

20-22 and 28-29 April (5 days)
